## **Welsh Language Standards Annual Report 2020-2021**

### **1. Foreword**

This is the Mental Health Review Tribunal for Wales (“the Tribunal”) fourth annual report on its compliance with the Welsh Language Standards since the standards came into force on 30 March 2017. The focus of this report is the period from 1 April 2020 to 31 March 2021.

The Tribunal has two parts, the secretariat and Members. Both work together, during the appeal and claim process doing different tasks. The Members consist of:

- the Tribunal President i.e. the judicial lead;
- four Deputy Presidents;
- Legal chairpersons;
- professional members who are medical professionals; and
- lay members.

The tribunal, its members and decisions are independent from Government. The tribunal has several members with strong Welsh language skills and is able to convene a full panel (i.e. a legal chairperson, professional member and a lay member) that can hear and conduct a full hearing through the medium of Welsh.

The secretariat is responsible for tribunal administration and deal with all telephone and written enquiries. They are civil servants employed by Welsh Government and form part of the Welsh Tribunals Unit, who are responsible for administering six devolved tribunals across Wales. The secretariat team has one member who is fluent in Welsh, and are able to have assistance from other secretariats within the wider Welsh Tribunals Unit, when necessary. The Senior Operations Manager and the Head of Welsh Tribunals are also fluent Welsh speakers.
